Dear Ms Wright

Thank you for your letter of 6 January 2020 to the Minister for Health regarding the completion of the coronial inquest into the circumstances surrounding the death of Jason James Sutherland Mallett. I note the recommendation made by Coroner Linton. The Minister has asked me to respond to you on his behalf.

The Department of Health's Coronial Review Committee is due to review the findings at the next meeting. The Committee will determine what actions should be taken at a system level to address the recommendations. Following this discussion, the appropriate services will be responsible for developing strategies that are necessary to implement recommendations; this may include consultation with other government agencies. Any actions taken by the WA public health system in relation to the recommendations will be included in the Coronial Liaison Unit's routine six-monthly progress reports to the State Coroner.

I trust that this information will assist the State Coroner to fulfil the annual reporting requirements to the Attorney General.

Thank you for bringing this matter to the Minister's attention.

Yours sincerely

NEIL FERGUS
