Dear Ms Wright

Thank you for your letter of 12 August 2020 regarding the completion of the coronial inquest into the circumstances surrounding the death of Stephen Michael KELL. I note the recommendations, particularly Recommendation 1, made by the State Coroner.

The Department of Health's Coronial Review Committee is due to review the findings at the next meeting. The Committee will determine what actions should be taken at a system level to address the recommendations. Following this discussion, the appropriate services will be responsible for developing strategies that are necessary to implement recommendations; this may include consultation with other government agencies. Any actions taken by the Western Australian public health system in relation to the recommendations will be included in the Coronial Liaison Unit's routine six-monthly progress reports to the State Coroner.

I trust that this information, and that provided in the ongoing six-monthly reports, will assist the State Coroner to fulfil the annual reporting requirements to the Attorney General.

Thank you for bringing this matter to my attention.

Yours sincerely /

**HON ROGER COOK MLA
DEPUTY PREMIER
MINISTER FOR HEALTH; MENTAL HEALTH**
