Dear Ms Wright

Thank you for your letter of 16 December 2021 to the former Minister for Health regarding the completion of the coronial inquest into the circumstances surrounding the death of Child AM. I note the recommendations made by Coroner Urquhart.

The Department of Health's Coronial Review Committee reviewed the findings at the October 2021 meeting. The Committee discussed the coronial inquest and considered what actions should be taken at a system level to address the recommendations. The Committee endorsed the dissemination of the information to the relevant stakeholders across the WA health system.

Actions taken by the WA health system in response to the recommendations are in progress and the relevant stakeholders will provide their responses shortly. The responses will be detailed in the Coronial Liaison Unit's routine six-monthly progress report to the State Coroner in February 2022.

I trust that this information, and that provided in the ongoing six-monthly reports, will assist the State Coroner to fulfil the annual reporting requirements to the Attorney General.

Thank you for bringing this matter to my attention.

Kind regards

**HON AMBER-JADE SANDERSON MLA  
MINISTER FOR HEALTH; MENTAL HEALTH**
